## TO NOVEMBER'S HUMDINGER OF AN ISSUE...

WELL, IT'S THE PENULTIMATE ISSUE OF QXMEN OF 2010 ALREADY! IT'LL SOON BE CHRISTMAS AND WE HAVE TO ADMIT THAT THIS YEAR HAS BEEN A BLUR OF BIG COCKS AND SEXY ARSES. BUT FEAR NOT, THE COCKS AND ARSES IN THIS MONTH'S ISSUE ARE VERY MUCH IN FOCUS.

**P**orn movies we've watched this month (cock in hand) include Jet Set Men's **Police Academy Gangbang**, where the cadets are so hot we're thinking of signing up. If you like your men to be hairy, masculine and rough and ready then you'll love **Bear Boned** from ButchDixon.com. While at the other end of the spectrum, Eurocreme's **Barely Legal Boys** treats us to some sexy young lads who can fuck just as hard as the big boys. Raging Stallion Studios sent a film crew and a bunch of hot porn stars along to **Steamworks**, an infamous sex club in California, and the results are awesome. And the guys are hot and dripping in sweat too in Lucas Entertainment's **Heatwave**. Those lucky American porn stars get to work in all the sunny locations. And last but by no means least, back in good old Blighty the guys from Triga serve up a bevy of horny lads in **Cock Of The North**.

Samuel Colt courtesy of Falcon Studios

When we watched Race Cooper in Raging Stallion's **Steamworks** we instantly fell in lust with the guy, so we were over the moon when the sexy man agreed to be interviewed this month. QXMEN's resident sexpert, Hayden Bridge, takes an in depth look at the world of 'gay for pay' in this month's Raunch Pad. And speaking of pay, with the growing number of gay escorts we ask the question, could your boyfriend be a hooker? If guys in cowboy boots and Stetsons

get you hard just wait until you see our fine selection of sexy cowboys from COLT

Studio. We've got another horny story, this time involving a couple of hot Swedes (that's guys not root vegetables) by Pete Richards, and tons of great competitions where you could win 2011 calendars from COLT, TitanMen and RawlImageStudio. Plus, you could bag yourself a sexy Ben Sherman shirt, a 210th Pride Gift Box, the perfect gift for lovers and fuck buddies alike, and a great new photo

book called Jewels from

Bruno Gmunder that's dedicated to our favourite appendage, the penis.

We've been out and about in London town lately too, spending our evenings at the Hard On seventh birthday and the amazing leather and rubber event Hotwired. We've also got the low down from Manchester's hot new bar The Eagle and we'll show you the newly refurbished E15 Club sauna. All this and more stuff to keep you happy in the trouser department... How do we fit it all in!

NEWS, GOSSIP AND STUFF WE THOUGHT YOU'D LIKE TO KNOW...

## MR LIMPY

SOMETIMES in this job we come across things that make us laugh out loud and case in point is the Mr Limpy elastic dildo from Fleshlight. At first we wondered what on earth you were meant to do with a flaccid dildo but it turns out that it's just a novelty toy and something fun for parties or to have hanging out of your flies to shock your Gran at Christmas. Apparently, it's widely used as a packer by transgendered men as it looks and feels just like a real cock, but we've got ours on order as we reckon it'll make an ideal paperweight. Mr Limpy is only available in pink and comes in four different sizes - large, medium, small and extra small... how cute.

**BLEACHERS AND CO.**

**F**ollowing the success of their Play Gear range, which have an artfully concealed back zip in their iconic bleachers for guys who prefer their action in gear and still want to go out on the town, Bleachers and Co. has been expanding its range to now include trackies and combats. Taking inspiration gained at the Folsom and PiG Parties in Berlin they now offer combats in Desert (sand), City (black/grey), red camouflage and green. The combats come with either a back zip (if you plan on leaving them on while playing) or with a full-length zip down both sides. The side zips combats are handy if you want to conceal your bleachers, leather or rubber gear while going into town because you can take them off in one go without having to undo your boots... Genius! To get yours, check out [www.bleachers.co.uk](http://www.bleachers.co.uk).

**WHERE ARE THE WORLD'S BIGGEST COCKS?**

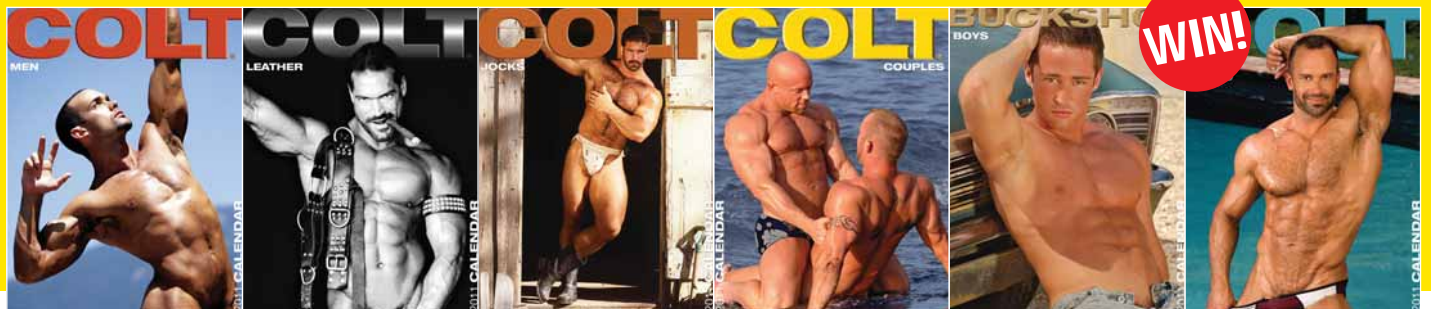

PLANNING your next holiday and can't decide where to go? Well, if you're a size queen then this latest research from Manhunt might just help you choose which country to visit. In a quest to find out which country is home to the largest cocks they took data from forty of its top markets and the results are extremely revealing. It appears that Denmark comes top of the table with its countrymen packing an average dick size of 7.59 inches (those decimal points make all the difference). The Danes are closely followed by the Italians and Swedes who both measure up to an average of 7.44 inches. While us Brits fare pretty well, coming in seventh with an average cock size of 7.38 inches, Malaysia ranks at the bottom of the list with an average size of 6.08 inches. But maybe all it really proves is that they're the most honest nation! To see the complete findings, go to [www.manhuntedaily.com](http://www.manhuntedaily.com).

## BARELY LEGAL BOYS

STUDIO: EUROCREME

Starring: Tristan Dean, Cameron Ross, Anthony Thomas, Will Jamieson, Max Taylor, Jake Hamilton, Dom Frazer, Andrew Dean, Alex Ford, Matt Steele, Sam Slade.

Available to buy  
at [eurocreme.com](http://eurocreme.com) or watch high  
quality streaming  
at [eurocreme.tv](http://eurocreme.tv)

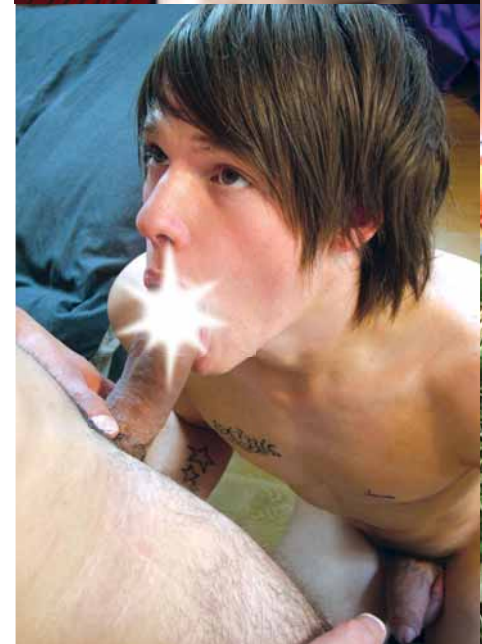

**IF THERE'S ONE BRITISH STUDIO THAT BRINGS US THE BEST IN HOT TWINK-ON-TWINK ACTION THEN IT HAS TO BE EUROCREME.**

HUNG top Cameron Ross and insatiable bottom boy Tristan Dean are up first in a scorcher of a scene from *PartyBoy*.

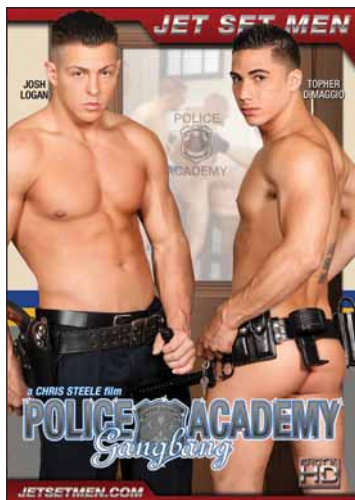

Tristan's after a gig as a DJ in Cameron's nightclub, but with so many budding DJs after the job, Cameron asks Tristan to make it worth his while. What better way to impress your potential boss than to offer up your cute boy butt, and so in the empty club the lads strip naked and Tristan gets a good fucking from Cameron's fat cock.

Suffice to say that Tristan got the job! In a scene taken from *Garçons dans le Forêt* Will Jamieson and Max Taylor are on a bike ride when they come across cute slim twink Anthony Thomas. The three lads head in to the trees and strip off, their hands and mouths all over each other. Will and Max take charge and Anthony's soon on his knees sucking two hard cocks at once before he's bent over and fucked in turn by the two sexy young tops. Next up it's young Dom Frazer and Jake Hamilton from *Indie Boyz*, and these two big-dicked, tattooed skater boys go for it hell for leather, sucking cock, rimming and fucking each other's tight holes in a hot bedroom scene.

There's a couple of tracksuit wearing scally lads up next, Andrew Dean and Alex Ford from *Rude Boiz*, but luckily the tracksuits don't stay on for long! The lads can't get enough of each other's stiff cocks and cute-as-a-button Andrew gets his boy butt drilled good and proper by his scally mate Alex, before getting a thick creamy load in his face. The final scene is taken from *Cruising For Cock* and stars two young hotties Matt Steele and Sam Slade. Sam may only be a young twink but he's got a man's cock - it's bloody enormous! As soon as Matt cops a load of it he's on his knees and stuffing as much of his mate's monster into his mouth. It beggars belief that a slim young lad like Matt could take something so huge up his tight boy hole, but after a hot rim job by Sam, Matt's taking the full length of Sam's trouser snake... QXMEN salutes these barely legal boys!

## POLICE ACADEMY GANGBANG

STUDIO: JET SET MEN ★ DIRECTED BY CHRIS STEELE

Starring: Andrew Blue, Brandon Bangs, Davin James, Dylan Roberts, Jason Adonis, Josh Logan, Landon Mycles, Marcus Steele, Steven Daigle, Topher DiMaggio.

**WE'VE ALL SEEN AT LEAST ONE POLICE ACADEMY MOVIE, THE CHEESY AMERICAN COMEDY FILMS THAT GET REPEATED EVERY CHRISTMAS. WELL DON'T BE FOOLED INTO THINKING THAT POLICE ACADEMY GANGBANG FROM JET SET MEN IS JUST ANOTHER ONE OF THAT DULL CHEESY FRANCHISE. AND DON'T LEAVE IT NEXT TO THE DVD PLAYER IN CASE YOUR DAD STICKS IT IN BY MISTAKE!**

THE action begins when Chief Josh

Logan informs the cadets that someone has stolen all of the academy's jock straps and, as everyone's a suspect, everybody's lockers are going to be searched by sexy Sergeant Topher DiMaggio. Cadet Landon Mycles is the first to open his locker and when he does, a pile of jockstraps falls out on the floor. As Mycles drops to his knees to gather up

the offending jocks he comes face-to face with DiMaggio's crotch and decides that his best chance of buttering up his superior is to suck his cock and offer up his butt to get fucked. Next, gym instructor Jason Adonis is assigned to whip the young Cadets into shape. But when hot muscle stud Marcus Steele get cocky, he's hauled out of the classroom and into a police cell to learn some respect. And what he learns to respect is Adonis' thick cock, down his throat and up his sexy bubble butt in a variety of positions. Back in the classroom, Chief Logan steps out for a moment and Dylan Roberts comes in to give the cadets some extra training, which he insists they perform with their shirts off and dicks out! But when Chief Logan returns to the room, the cadets discover that Roberts isn't an instructor but a cadet from a rival academy. And this is where *Police Academy Gangbang* gets its title from as the cadets decide to teach Roberts a lesson and all take a go on his butt... As gangbang's go, this ten-man orgy is hot-as-hell and will leave your balls drained!

## BEAR BONED

STUDIO: BUTCH DIXON

**HOT ON THE HEELS OF THEIR FIRST DVD RELEASE, CUM TO DADDY, BUTCHDIXON.COM'S SECOND DISC, BEAR BONED, HITS SHOPS IN TIME FOR CHRISTMAS. SO YOU CAN PUT SOMETHING HARD UNDER THE TREE FOR THE MAN IN YOUR LIFE... AND PERHAPS GET AN EXTRA SHAG OUT OF THEM.**

BEAR BONED features four hardcore suck and fuck scenes with the hairy and masculine men we've come to expect from Butch Dixon's website. Italian hairy hunk Albert Victor plays a con man who's been hauled into the station by police inspector John. Before Albert can profess his innocence, he's leaning over the table and taking a hard fucking from the copper. The handsome and super-hung Dillon Buck also plays a cop and he's got hairy, Italian stud Ulysse in the lock-up while he tries to figure out where he's hidden the diamonds he's accused of stealing. In a thorough strip search, Dillon discovers the diamonds stashed under Ulysse's foreskin. (Another reason Yank doctors should shun circumcision.) For punishment, Ulysse is bent over the interrogation table and gets a deep boning from Dillon's 9.5 inch, banana-curved cock. Ouch! There's an outdoor, three-way scene with real-life lovers, Max and Jason, who spitroast horny cub Tony Greco in the bush. And for those of you who like more bearish men, there's Bruno and Mike, two husky, bearded men who go at it with gusto. *Bear Boned* ends with hairy, leather man Marco de Brute making a very large dildo disappear up his arse and will leave you saying either, "Holy shit!" or "That's nothing, I did one bigger than that last Saturday while watching *Cum to Daddy*."

## STEAMWORKS

**STUDIO: RAGING STALLION STUDIOS** ★ **DIRECTED BY TONY DIMARCO AND STEVE CRUZ**  
*Starring: Angelo Marconi, Austin Wilde, Race Cooper, Alexsander Freitas, Diesel Washington, Topher DiMaggio, Derek Reynolds.*

**STEAMWORKS IN CALIFORNIA IS REPORTED TO BE THE BEST SEX CLUB IN THE UNITED STATES AND A LEGENDARY PLACE WHERE GUYS HAVE GATHERED FOR SEX FOR MANY YEARS. RAGING STALLION DECIDED TO TAKE THEIR CAMERAS AND SOME OF THE FINEST PORN STUDES IN THE BUSINESS ALONG AND THE RESULTS ARE AWESOME.**

*Available from [www.ragingstallion.com](http://www.ragingstallion.com)*

FIRST up is a pairing between Raging Stallion exclusive Angelo Marconi and that big bad mutha fucker Diesel Washington. The scene's set in the showers and it's a case of huge black cock meets tight white bubble butt. These two guys are made for each other and Diesel pounds Angelo's beautiful butt in position after position to an aggressive orgasm! Next up it's Raging Stallion's first ever Black on Black scene as they pit exclusive Race Cooper against Derek Reynolds. These guys are smokin' with their beautiful black bodies, huge black cocks and rippling muscles. This is a powerhouse of a scene that's a must see as the guys fuck like warriors with Race taking charge and doing the fucking. Angelo's back for more in the next scene, and boy does he get it as this time he's paired with Brazilian hunk Alexsander Freitas, one of the hottest guys in porn today. The guys are cruising each other through the club's labyrinth of dark walkways and when Angelo sees Alex's rock hard cock pushed through a glory hole he's straight down on his knees and hungrily sucks away. Alex face fucks Angelo through the glory hole, before turning Angelo over and pounding him from behind. The final scene pairs Raging Stallion Studios Man of the Year Austin Wilde with hot jock Topher DiMaggio. You can tell that these guys are really into each other and they get down to some lip-smacking oral sex in a fantastic 69 position and then, to our surprise, top guy Austin Wilde gets fucked. Austin doesn't bottom much, but apparently he'll give his arse up for the right guy. And it appears that Topher was the right guy!

## HEAT WAVE

**STUDIO: LUCAS ENTERTAINMENT** DIRECTED BY MICHAEL LUCAS & MR. PAM

Starring: Rafael Alencar, Junior Stellano, Adam Killian, Rod Daily, Zach Alexander, Spencer Reed, Jeremy Bilding, Parker London, John Magnum, Patrick Logan.

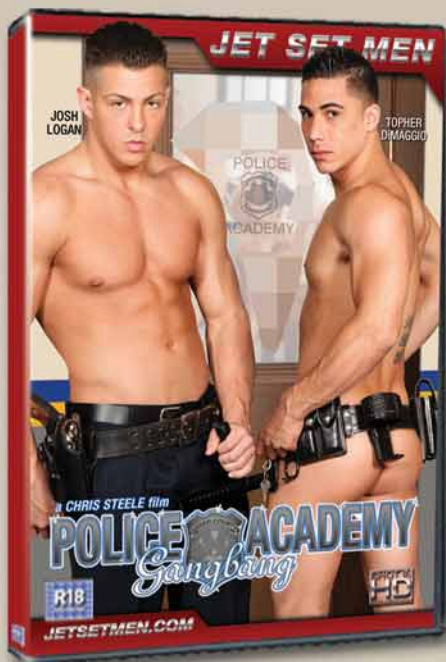

**THERE'S A HEAT WAVE HITTING NEW YORK CITY AND THE MEN ARE DRIPPING WET WITH SWEAT AND SEX! AN ALL-STAR CAST STEAMS UP THE SUMMER, THEIR SMOULDERING BODIES DRENCHED FROM FUCKING, ARSE EATING, OUTDOOR SHOWER HOOK-UPS AND POOL SIDE SEX.**

Available from [www.lucasentertainment.com](http://www.lucasentertainment.com)

MUSCLED studs Spencer Reed and Junior Stellano open the movie making out in the park and then cooling off in the outdoor showers. But the sight of each other's chiselled bodies and tight Speedos gets too much and the two studs strip down in a near by apartment and fuck. Rod Daily and Patrick Logan are a perfect pairing and they retreat to a pool utility room where Patrick pulls Rod's cock from his bulging blue trunks and slurps on his thick shaft before turning his attention to Rod's puckered hole. But then Rod decides to put his fucking skills to the test and bounces Patrick's butt on and off his stiff cock. When Jeremy Bilding sees John Magnum stretched out in the sun wearing nothing but a tight pair of Speedo, he pounces on him like an animal in heat. After splashing about in the waves the guys head to the sand dunes for some outdoor action. In a private pool Jeremy bends John over to taste his beautiful round butt, tonguing his hole and tugging on his huge cock from behind. The guys move to a chaise lounge where John sits down on Jeremy's cock before getting flipped around for some hot doggy-style fucking! Adam Killian and Parker London are up next and hairy muscle daddy Adam lures Parker back to his penthouse apartment. Up on the roof, Parker takes Adam's huge cock in his mouth before Adam grabs Parker's meaty butt with his big, rough hands and tongues his hole. The chemistry between these studs is awesome and Adam pounds Parker before the tide turns and Parker gives the sexy daddy an arse bashing in return! Hung muscle guy Rafael Alencar leads the young and eager Zach Alexander towards a secluded beach and straight away Zach drops to his knees to suck Rafael's monster cock. Rafael's soon flipped the boy around and feasts on his hole before he fucks Zach's pert bubble butt like the pro that he is.

STUDIO: TRIGA

Available from  
[www.trigafilms.co.uk](http://www.trigafilms.co.uk)

**NORTHERN LADS! THEY'RE A TRIGA SPECIALTY... AND A REAL FUCKIN', SPUNK LICKIN' DELICACY THESE LOT ARE TOO!**

MEET Luke, the car mechanic, who takes a massive cock up his 19-year-old, hot virgin arse. Then there's "always horny" Kane, the out of work scally who couldn't care less if it's his bird or a bloke on the end of his fat knob, just as long as he gets to spunk his thick load. There's big strapping James, who's looking forward to his first time in front of the porno cam, who gets fucked from pillar to post and all round his skanky living room in every position imaginable... And not forgetting Darren and Mason, Triga's two cheeky Scouse lads with filthy minds and insatiable cocks... And in addition to that lot, *Cock of the North* also stars Chris, Danny, Silas and Kieron a gang of throbbing-cocked likely lads who can't wait to get their trackies round their ankles.

Emmerdale Farm it certainly ain't... But a spunk-filled tale of handsome Northern lads filmed entirely on location it definitely is!

# RACE COOPER

**RACE COOPER'S BEEN ON QXMEN'S RADAR FOR SOME TIME NOW AND, EVEN THOUGH HE WAS OUT OF TOWN ON A WELL-EARNED VACATION, THE SEXY MAN STILL TOOK TIME OUT TO ANSWER A FEW QUESTIONS WE PUT TO HIM.**

**If you don't mind us asking, how old are you?**

I'll be 37 in seven weeks.... But if anyone asks for my black age... it's 24. I still get carded for alcohol.... fucking ridiculous.

**Where were you born and raised, and where do you live now?**

I was born and raised in downtown Toronto, Canada. Great city to grow up in. I learned about every culture from the multi-cultural street I lived on. I knew swear words in every language by the time I was eight. Now I live in San Francisco. A little different from Canada... but the cultural mix is still there.

**What did you do before you started working in the porn industry?**

**“IT HELPS THAT I HAVE TWO PERSONALITIES, AND THEY'RE BOTH HUNGRY FOR FUCKING.”**

Before porn I worked in Television and Film. Yeah, quite the stretch, huh? I worked as a director/producer/television host. I worked for stations like MuchMusic (Canada's MTV) and directed and produced commercials and programs for the Toronto Star. Then for awhile I went in front of the camera as a travel host, and did some background dance work for the show *Queer As Folk*.

**And how did you get into the business?**

In a word, Steve Cruz. I blame him entirely

for getting me into the porn business. In fact, I blame him more than Whitney blames Bobby. Steve and I have been friends for a while.... and after hanging with him, and seeing how he worked the industry... I started getting curious. When I was ready to do a scene, he cast me right away.

**Were you nervous doing your first scene?**

Totally. But I was really lucky. I was already friends with my scene partner Scott Alexander, and I had Steve Cruz directing

me. I felt really secure that they both would make sure I didn't fuck things up in anyway. We actually had a blast shooting my scene... I don't think I've laughed that much on set since. I tend to crack jokes more when I'm nervous.

**Are you top, bottom or versatile?**

I'm versatile. Very, very, very versatile. It helps that I have two personalities, and they're both hungry for fucking.

**Who's the hottest TOP in the industry?**

Hmmm... That's a tough one. If I was just going to go with people I know I'd say it might be a toss up between Wilfred Knight and D.O. They both have great personalities, and are constantly ready to wreck people.

**And the hottest BOTTOM?**

When I think of someone who could take that title, I think of the term, 'Cock-juggling thunder cunt'. Conner Habib comes to mind, and so does Alessio Romero... Yeah, they're both 'Cock-juggling and cock guzzling thunder-cunts'. How's that?

**What's your favourite position?**

Depends on the person. I love topping doggy-style, and my lover makes me cum riding on top with a reverse cow-girl. But I'm the kind of person that likes to switch it up a lot... So even though those are my favourites, I tend to want to still get fucked on the edge of the sofa missionary, or fuck a guy in the hallway standing on one leg occasionally.

**So what turns Race Cooper on?**

Three words. Honesty, Integrity, Confidence. Say what you mean, when you say it. I will totally suck the dick of a guy who's not afraid of doing what he means to do, and can be honest with himself.

**You've starred in loads of hot movies including *Steam Works*, which is reviewed in this issue... What can we look forward to next?**

In the works is a hot scene with my British bloke, Kennedy Carter. A beautiful piss movie, shot at a California Winery. Urine makes everything look pretty. Also, I have a crazy hot leather scene in *Black Box* with Jason Adonis. Dude fucked me so much, they had to check the audio levels on the camera, because I was screaming. It was really THAT GOOD!!!

**If you had the chance to direct a scene and cast the other performers, who would you choose and what would happen?**

Funny thing is I work as the Casting Director for Raging Stallion. So I'm already kinda doing that anyway. But if I could think of a dream sex scenario it would involve Spencer Reed, Alessio Romero, Samuel Colt, Jason Adonis, myself, Angelo Marconi, Junior Stellano and D.O. It would be a 1940's period setting in a men's club. Black and white with big club chairs, suits, slicked hair, garter belts... the whole nine yards. Highly stylised with no story. Just small dialogue, and crazy hot sex before these men had to go back to their wives.

**Do you get recognised in the street?**

Sometimes. I mean porn stars in San Francisco are a dime a dozen, so no one really calls you

**“ I LOVE TOPPING DOGGY-STYLE, AND MY LOVER MAKES ME CUM RIDING ON TOP WITH A REVERSE COWGIRL. ”**

Images courtesy of Raging Stallion Studios

by your stage name here. But occasionally I'll get recognised at the gym or on the subway... It's cool. A little weird, but cool.

**What do you do to relax?**

Smoke weed... Seriously, when I look to relax I go hang with my friends, and we go to the beach and get really retarded. It's the medicinal cure that cures everything!

**Do you have a boyfriend?**

I have a husband, and lovers... Can't live on one dick alone.

**If the world were to end tomorrow**

**what would you rush out and do?**

I don't think I'd rush to do anything... Although I would make sure that everyone I loved knew how much they meant to me, and how much they affected my life. Then I'd go to a hilltop and grab some weed and watch the chaos. It would be the best show in the world.

**Finally Race, describe yourself in three words.**

I hate to use words to describe myself... So I'll go with my friends' adjectives to describe me. Smart, Twisted, Funny.

# SHHHWEDES

SWEDES ARE RENOWNED FOR MANY REASONS: BEING TALL, BLONDE, BEAUTIFUL, AND MOST OF ALL, FOR BEING SEXUALLY LIBERATED (FOR THE PURPOSES OF TODAY'S LESSON WE WILL IGNORE PICKLED FISH). ALTHOUGH I AM NOT ONE TO ESPOUSE SIMPLE STEREOTYPES, SOMETIMES THESE ARE JUST TOO GOOD TO NOT BE TRUE (AND TOO GOOD TO NOT SHARE). IN THE SPIRIT OF 'SHARING IS CARING' MY BOYFRIEND AND I TOOK OURSELVES AWAY FOR A GOOD OLD-FASHIONED SUN SOAKING, DETERMINED TO ENJOY A FORAY INTO 'SOME-FUN' (I.E. THREESOME, FOURSOME, MORESOME... ETC).

BY PETE RICHARDS

**W**e whiled away the days on the beach absorbing the feel good factor of the vitamin D enriched sunshine (and ignoring the factor 40). At night we headed out, coated in after-sun and after-shave. On one such cocoa-butter-meets-cologne night, we noticed a pair of blondes positioned prominently at the front of a bar, perfectly placed to draw in the lascivious crowds. Falling for this unsubtle technique we made our way inside and were swiftly sat next to our fairer counterparts. Trying to look alluring and seductive whilst gulping down several lime-green drinks (complete with cardboard parrot and sparkler) is no easy task, but we did our best. I leaned forward to nibble on my boyfriend Jeff's ear whilst making eyes over his shoulder – we thought that was a pretty obtuse signal to this increasingly interested pair. A perfectly timed trip to the toilet also meant we swapped seats so he in turn could do the same, kissing my neck and breathing softly on my warm flesh, smiling at our neighbours as he ran his tongue down my steaming skin. Believing this to be enough of a 'subtle' hint we paid for our drinks and moved on. A furtive glance backward confirmed that our enticed pair had picked up on our hints (and now our trail). Buzzing from the artificial colourings in our drinks we confidently headed for our hotel, occasionally peering backwards and smiling, confirming we were being followed. Arriving at the hotel we walked in nonchalantly, nodding at the concierge to mask the fact that we were smuggling in some sexy Swedish contraband. We made our way to our room, giggling like naughty school girls as our trailing two-some dropped out of sight. Hovering outside of our room we could hear them on the stairs – they'd made it in! Easing open the door and leaving it ajar we stood rigid (all over) with anticipation. We nervously smiled at each other as we could see their shadows under the door. Pausing outside we could hear them muttering softly and turning the doorknob like sexual serial killers. Although this pair were very sexy, our lack of real communication made me suddenly worry they'd have the personality of a comatose amoeba! Or perhaps they would service us no better than a micro-waved Fleshjack (they're warmer that way). Or maybe they were debating who would get who first? We'd already decided: I would get the taller one, then we would swap, then we would play together as we left them to each other's (de)vices. Slowly pushing open the door they popped their heads in. Reminding me of some randy Enid Blyton characters – I imagined this groomed and preppy pair: Bill and Fred, exploring the old mill and finding some buried pirate treasure (when all they really wanted was a secret place to mutually masturbate). Smiling nervously they entered the room and closed the door behind them. Deciding small talk may ruin the mood (and the illusion) I moved forward, my boyfriend's hand in mine and kissed the taller one closest to us. Placing Jeff's hand on the other, the four of us were soon making out against the closed door. As my hands slid lower to raise

my guy's leg up and over my thigh there was a loud bang on the door! All four of us froze, our eyes wide and ears pricked like gay meerkats. Poised, none of us moving a muscle, we listened carefully. Slowly creeping away from the door we started to question if we were simply hearing things. Just as we were about to sigh with relief there were four bangs on the door followed by those dreaded words (not 'I'll huff and I'll puff' but...)'  
'Hotel manager, open the door!'  
With any sexiness flying out the window we all darted around like delirious drag queens in a silent movie. Pulling ourselves together after a third set of bangs my boyfriend and I herded our burgled blondes into the bathroom. Hoisting one in the shower, the other into the bathtub, we zipped closed the curtains and sprang back into the room. Even before the big bad wolf banged on the door we knew he'd be looking for our smuggled Scandinavians. We were pretty sure the hotel staff could spot an orgy in the making. Perhaps it was our look of self-congratulation and trepidation – or simply four semi-erections in jeans, one after the other, in the wee hours of the morning. Having stashed our Swedes in the shower Jeff opened the door as I strategically peeled off my shirt next to the bed. Standing there, hands on hips, our middle aged, middle-weight, middle manager seemed fully perturbed by having to bang on our door at nearly 2am. Before he could remember the English he had learnt Jeff broke the awkward silence.  
'Sorry, can we help you?'  
Still, he mumbled, trying to find the right words, and slowly regaining his temper. I decided to walk over, undoing my belt. Looking innocent and unassuming (but ensuring I made eye contact with him) I whipped off my belt. I was convinced that any suggestion of a sexual advance would scare our suddenly mute intruder. Arriving at the door, leaning on my boyfriend I also asked:  
'Is everything ok? We just got in. Is something wrong?'  
'People here with you,' finally he found his

'Ok, I come in. Yes?' He slipped past us, shuffling side to side trying to decide who he would turn his back to in order to squeeze past. Delving into the room, checking the balcony and under the bed, I noticed we'd left the bathroom door open. Popping his head in we held our breath and waited for him to discover Bjorn and Sven (okay, so we still didn't know their names). Peeking into the bathroom our eyes widened, his hand reached up to the shower. As his fingers tickled the edges of the curtain two people walked passed laughing loudly. Suddenly distracted he turned towards us and, without missing a sped-up heartbeat, he shot out the door after what he thought were our Swedes. He zigzagged down the hallway like an overeager puritanical Labrador after a crucifix shaped twig. Having a second thought he turned, clicked his heels together and spat out a simple 'Sorry.'  
Unperturbed and thoroughly relieved we closed the door. Exhaling a sigh of relief we parted the curtain to reveal our successfully stashed treasure. With big white grins and just one or two beads of sweat we stood in the bathroom and laughed uncontrollably. Helping them out and swapping intros we led Eric and John (still quite typical) to the bedroom. In a four-way mess of flying clothes and exposed skin we were hastily naked, standing fully erect next to our crisp white bed. The sheets were perfectly tucked in and gave off a fresh clean smell as I whipped back the silken cover. Lined up next to our virgin mattress I could feel Jeff's high arse cheeks touching mine. Our cocks sparring with our new friends' we all continued to rub on each other. The cock-fencing continued with a complete set of soft pink foreskins. As the frottage continued I reached down to squeeze Eric's pulsing cock, pulling back his smooth skin and running my fingers over his soft, fuzzy balls. Tickling his silky scrotum he reached down and forced my hand between his thighs towards his warm hole. Running my middle finger down his smooth crack it rested on his expectant hole – I couldn't wait to fuck him! As though Jeff had reached a simultaneous frenzy he pushed John down

**"ARRIVING AT THE HOTEL WE WALKED IN NONCHALANTLY, NODDING AT THE CONCIERGE TO MASK THE FACT THAT WE WERE SMUGGLING IN SOME SEXY SWEDISH CONTRABAND."**

words. Despite delivering this as a statement his raised inflection at the end suggested he wanted this to come across as a question. We both looked blankly at him, employing all of our lying techniques we once perfected on our parents when sneaking out to meet secret lovers, known in code as 'friends from school.' Turning back to the manager, almost scoffing in feigned disbelief (and throwing in a frown) I retorted:  
'Sorry, who's here? We're a double room. For me and my...' I paused to try and make him feel awkward '...boyfriend.' Unperturbed he mumbled something about no guests in the hotel (which I thought was a hilariously unfortunate and oxymoronic choice of words) but before I could formulate a cheeky comeback he blurted:

on the fresh sheets, hoisting his legs over his shoulders in one fluid motion. Keeping up with my slick boyfriend (and never one to be outdone) I spun Eric around, and bent him over the bed. Complying eagerly he knelt on the springy cotton cloud and curved his back, his arched arse dangerously tantalising. Peeking back at me and grinning I dropped to my knees and buried my tongue in his hairless crevice. Lapping at his achingly tight arse and noticing Jeff's cock poised before John's hole I grabbed the lube from the bedside drawer. Reaching into our case under the bed I retrieved two condoms from the internet-ordered stockpile (why can you never find large condoms in your local supermarket?) Slowly squeezing the condom over my swollen shaft I leaned in to

→ kiss Jeff as he sheathed his. Reaching down I wiped the excess lube from my cock onto his and could feel the growing excitement. Refocusing on Eric I spread his legs firmly, slipped my cock down his crack and pressed my bulbous head against his tight pink hole.

Pressing harder and slowly slipping inside him I paused to check he was okay. Waiting for a moan, sigh or gasp I received no feedback – good or bad. Happy to pull out and let his tight hole relax I paused before sliding in further. Still, not a sound. I waited, dying to give him the rest of my hard cock. Hovering there in suspended anal animation, I decided to penetrate further. I slid the rest of my throbbing cock inside him – still, silence! I could feel his tight hole stretched like a thick elastic band massaging my eager tool. I could tell he could feel my cock inside him, his hole was tight, not loose or accommodating. He definitely was not a man-whore or fan of fisting, his arse lips were tight and pert, not sagging like a bum bin-liner. Pushing my whole cock inside him, and determined to make him squeal, I grabbed his small, smooth hips and pulled him into me. At the same time I forced my cock deeper, feeling his fuck canal giving way deeper inside. Normally this would make most guys tighten and retreat as I went ‘too deep’ but still Eric was silently passive. With my cock as deep as I could go, I stood there scratching my head like a confused and horny chimp. He seemed to be enjoying himself – he turned around and smiled at me but I wanted more. Usually I get a good amount of moans and groans?

Desperate for some form of reassurance I looked to Jeff who was busily pumping away on John with what seemed like a similar issue. He thrust in and out, in and out, fast and smooth, John’s eyes lolling in his head, his mouth hung open, but no noise escaping him. Ignoring my need for porn-esque vocals, I decided to use Eric’s hole for my own pleasure. After all, silence is agreement (isn’t it?)

Going to town on his sweet, tight arse I ploughed it hard and deep. Bouncing off his smooth high butt cheeks, I wondered if I could make some money as a condom tester and really put this latex to work! Feeling

ing technique, I had to ask as I could see Jeff was equally befuddled.

‘Sorry guys, is something wrong?’

‘Yeah, um, don’t freak out but...’ in my twisted little mind the first thought was they were about to tell us they used to be girls. I don’t know why as I’d definitely felt some all-natural vs. Man-made cock. Other thoughts buzzed through my brain, each more random than the last. Some involved the circus, mafia and even a worry that they had rigged our room with spy-cams (okay, so I’d buy that DVD). Before I got what I thought was too carried away John added:

‘We’re cousins.’

Now this presented us with two options: a) be grossed out, feign disgust and throw them out; or b) be honest with our unconventional-ity and do them extra hard. Turned on by the kinkiness I also understood now why they may not have wanted to stick their similarly-genetic tongues down each others’ throats. My ego was also massaged as I reasoned their silence was not a reflection of our technique but rather that they didn’t want to scream with pleasure in each others’ ears.

‘Um, ok. Is that weird for you? Cos it’s not really for us’

‘Yeah, you’re not going to have three-legged babies anyway are you?’

We all laughed but snapped back into seductive mode, reaching out for a new partner. My boyfriend and I shared a long kiss between us, and could see Eric and John watching and flirting with each other but neither making any moves. Pulling John back towards me I slid inside him as my boyfriend inserted himself into Eric. Slowly again at first, but still receiving no verbal response, I gave him the rest in one hard thrust. Finally getting a good deep moan I continued fucking him, hard and hungry for more noise. Relishing John’s moan and looking across the bed at Jeff I mouthed silently to him over John’s shoulder:

‘Harder’

Grinning mischievously, he picked up the pace. Placing his hands on Eric’s shoulders Jeff pulled him on to his rock hard cock. Reciprocating I fucked John’s hole, loosened by my boyfriend’s cock and eagerly accommodating. As we began to fuck in time with each

wanted more. Withdrawing again and ramming it back in, John groaned even more. Again and again I was working him into a frenzy and could see Eric’s own anal pleasure building from Jeff’s persistent and unfaltering cock. Pushing my luck again, and fulfilling one of my kinkier fantasies, I pushed John’s head towards Eric. Leaving his head there, rather than forcing a kiss I slid back to allow my hips to reach under John’s arse and push my cock deeper. Opening his eyes and immediately catching Eric’s I almost felt myself climax when he grabbed his face and kissed him. Jeff and I continued to thrust as these two breathed heavily on each others’ sweating faces. Employing my withdrawal and thrusting technique again I finally got the uninhibited moan from John that I had craved. I persisted and really worked his hole until I could feel his prostate spasm with the need for release. Eric watched his face with wonderment as I felt John’s warm load flowing over my fingers. As he continued to orgasm I could see Eric too releasing his inhibitions. Still a bit shy he politely requested if my boyfriend and I would cum on his face. Darting his eyes over to John, for disapproval or coy support, all he received was another sloppy kiss and a flawless smile.

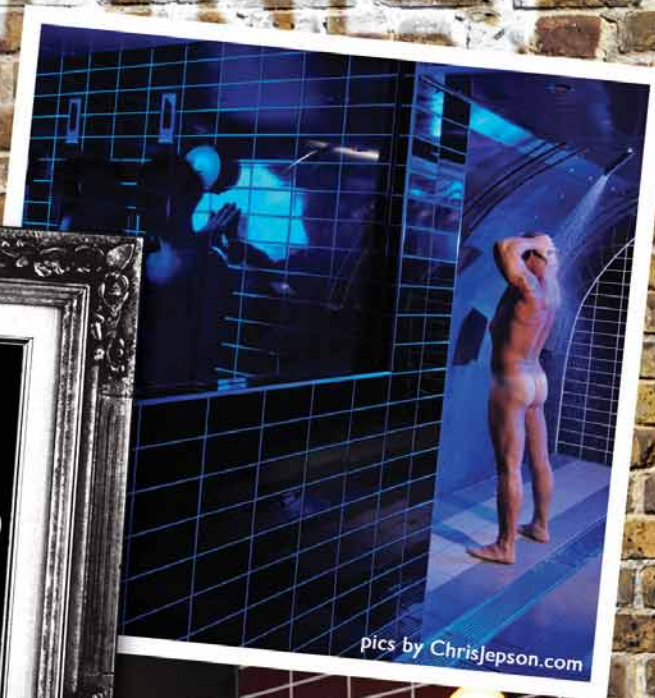

Siding over to our other relaxed and soon-to-be-satiated Swede I stroked my cock and kissed my boyfriend as we both sprayed a thick load over Eric’s face and across the pillow. Reaching up he pulled us together and licked the last pearls of cum from our cocks, furiously wanking and blowing his load over his tanned six-pack. Flopping back into the bed, wiping Eric off, we swapped partners again. This time I got my boyfriend back as we lay next to a new pair in the making - cousins spooning on significantly less virginal sheets.

**"IN A FOUR-WAY MESS OF FLYING CLOTHES AND EXPOSED SKIN WE WERE HASTILY NAKED, STANDING FULLY ERECT NEXT TO OUR CRISP WHITE BED."**

like a change of position I lay him down, still managing to stay inside. Tucked in behind him I could see my boyfriend doing the same to John. Fucking Eric again I grabbed the back of his head, pulling him in towards me. Releasing him, and catching John’s eye I pressed Eric forward to kiss him. Immediately the two flinched and recoiled, Eric’s hole spasmed and squeezed me out. Both boys sat up and looked uncomfortable. They shared a nervous giggle as they looked away from each other. Even more confused than by their mute mat-

other I reached around to wank John. I could feel him getting closer as his cock stiffened even more. Although I could feel his building pleasure I was not going to let him cum. I wasn’t satisfied until I’d got a good amount of moaning (or at least heavy breathing) out of him. Equally, I still had a naughty need to toy with this soon-to-be-incestuous pair. Withdrawing my shaft fully and sliding it all in, John groaned loudly and then smiled and blushed, almost embarrassed. I saw Eric’s face as he heard John’s pleasure and could tell he

# ARE YOU DATING AN ESCORT

ESCORTS ARE EVERYWHERE THESE DAYS. THE BACK PAGES OF MAGAZINES ARE STUFFED WITH THE RAUNCHY ADS FROM MASSEURS, WORKING BOYS AND PERSONAL SEX HEALERS. LOOK ON THE INTERNET AND YOU'LL FIND EVEN MORE. FOR EXAMPLE, DATING SITE PLANETROMEO.COM HAS A STAGGERING 16,000 ESCORTS, ALL READY TO STAND AND DELIVER (OR LIE DOWN) IF YOUR REGULAR DATE DOES A NO-SHOW!

**B**ut what makes an escort? The stereotype of rough trade rent boys and sad lonely old men doesn't cut it anymore and just about anyone might be tempted to try his luck at the oldest of professions.

So how about your boyfriend? Is he keeping something from you? We've come up with a list of telltale traits that you might want to check...

- Is he a "freelance" model?*
- Is he always online with multiple profiles?*
- Does he shower more than 3 times a day?*
- Does he take condoms and Viagra to work?*

- Is he always too tired for sex?*
- Did he ever call you "John"?*
- Does he have two or more mobile phones?*
- Do you often find £50 notes in his dirty laundry?*
- Does he tend to watch the clock when having sex?*
- Has he ever asked you to leave the money on the bedside table?*

Of course, answering 'yes' to all the above doesn't mean he is an escort. And anyway, would it matter? There's a kind of kudos to being a hustler and it's almost a rite of passage for gay men to sell sex at some point in their lives. And new technology has made it even easier. A lot of PlanetRomeo escorts offer web cam sex too. So they literally don't even have to get out of bed to earn extra cash!

## HARD ON 7TH BIRTHDAY ★ 25/09/2010

HIDDEN, 100 TIRWORTH STREET, UAKHALL, LONDON SE8

ON THE LAST SATURDAY NIGHT OF SEPTEMBER WE SQUEEZED INTO OUR TIGHT LEATHER JEANS, PULLED ON OUR ARMY BOOTS AND HEADED ON DOWN TO HARD ON, LONDON'S ONLY MIXED GAY FETISH CLUB, TO CELEBRATE ITS SEVENTH BIRTHDAY.

AS always, the club was heaving with hot guys in leather and rubber, horny skinheads, guys in jockstraps and boots and a daring few in just their boots. To celebrate seven sleazy years of fetish fun, tattooed Raging Stallion bad boy Ricky Sinz entertained the crowd with a XXX-rated show. He told us that he was going to push limits and boy did he! Hard On has one of the largest playrooms in London and hardcore partygoers made full use of the pervy equipment and the club's many dark cruising areas, while the pumping underground soundtrack helped whip the crowd up into a writhing frenzy. What a night and we're already looking forward to the next Hard On birthday bash.

**LONDON FETISH**

**HOTWIRED ★ 09/10/2010**

**WHEN TWO OF THE BIGGEST NAMES ON THE LONDON LEATHER AND RUBBER SCENE GET TOGETHER TO PUT ON A MEGA-FETISH EVENT IT WAS BOUND TO BE A SUCCESS. BUT WE NEVER QUITE EXPECTED THE SPECTACLE THAT WAS THE HOTWIRED MAIN PARTY ON SATURDAY 9TH OCTOBER.**

HOTWIRED events began on Thursday 7th with a Tops Off Pre-Party at Barcode Soho and carried on all weekend through to the closing party Black Trinity at The Hoist on Sunday. But the highlight of the weekend was, of course, the main party Hotwired on Saturday night, the biggest underground leather party to have ever hit London. Hard On and Rut pulled out all the stops and put on an event of epic proportions that we're sure will be remembered for years to come. The amazing raw industrial venue in South London blew us away with its sheer size and cavernous vaulted rooms and it was full of hot guys decked out in leather and rubber. There was plenty of space for guys to dance to the sexy tunes supplied by the Hard On and Rut DJs. While those guys who were looking for sleaze were very well catered for in the many purpose built play areas... We'll be counting down the days to the next Hotwired.

sex but the trade. Like any job, they won't make money if they don't provide the service the clients require. As an escort, that service could entail anything from nude cleaning to full penetration. But as hard as it is for some people to believe, this doesn't mean the escort's necessarily gay as we understand the word. We don't have to go all the way back to Ancient Greece to find a whole society that distinguishes gay sex from gay mentality. 19th century gay travellers discovered that throughout North Africa boys were willing to have gay sex for money, but only until they got married to girls. (It's still the same today). In the 1940s psychiatrists identified "situational homosexuality", that is sex among all-male groups found in boarding schools, prisons, the armed forces and hard-line Islam. It often happened that, when a man left the group, he had sex with women. Most all-male groups have now been infiltrated by women, at least in the West. But a relatively new one remains unadulterated – gay porn. The first porn superstars emerged after the sexual revolution of the 1960s, when bisexuality became cool. Even the most famous star of straight porn, John Holmes, did gay movies. But nobody thought he was a gay man playing straight. When gay porn became big business, many of the early stars also did straight porn. But gay critics decided these guys weren't bisexual, they were gay for pay, a disparaging term implying that they were fooling the public in return for cash. Two interesting examples are Peter North and Jeff Stryker, both of whom shatter any preconceptions we may have about

**THERE'S A NEWISH ACRONYM, MSM, TO DESCRIBE MEN WHO HAVE SEX WITH MEN, BUT WHO DON'T IDENTIFY AS EITHER GAY OR STRAIGHT.**

**P**ractically the entire psychiatric profession agrees that we can't change our sexuality. When we're young most of us try both men and women to make sure what we prefer. But then we're either gay or straight for the rest of our lives. Or are we? The sex trade suggests that, if the price is right, we can switch. That's by no means a new idea. But the buzz-phrase "gay for pay" has only been around for about twenty years and now it's become a talking point. There are a lot of sites which use financial negotiations (how much money will it take for a straight guy to have gay sex on camera?) as part of the turn-on. But gay for pay models are also causing conflict. Some genuinely gay models won't work with them. Some porn fans won't watch them. "Gay for pay is the 21st

century blackface," says one angry blogger. The conflict has focussed attention on sexual labelling. There's a newish acronym, MSM, to describe men who have sex with men, but who don't identify as either gay or straight. This subject is extremely complicated, enough to make us doubt our basic concepts about sexuality. I could have asked questions among medics, who coined MSM but, as is so often the case, prostitution and porn found the answers first. As it's the oldest profession, prostitution must have practised gay for pay thousands of years before it was named. My reasoning is that, because people tend not to change intrinsically, boys probably have always been attracted to the sex trade not for the

the gay/straight divide. North began in gay porn in 1982 as Matt Ramsey and quickly developed a following. (He wasn't known as Sir Cumalot for nothing). He's still in the business but as a straight porn stud. Out of more than 1,600 movies, only a handful he made in the early 1980s are gay. What was he playing at? He's only got a sort of an explanation. "It was not part of my sexuality at all," he says of films such as *A Matter of Size* and *The Bigger the Better*. "I was only able to do it because of my strong mind and my physical ability to have control over my own body." Stryker is a different case, an international icon known largely for his gay movies. But wait a minute. This ultimate gay role model/

Zeb Atlas courtesy of Falcon Studios

**BUT WHAT ABOUT ALL THESE CURRENT SITES IN WHICH GUYS SAY THEY'RE STRAIGHT AND "PROVE" IT BY TALKING ABOUT TITS AND PUSSY, BUT THEN TAKE THE MONEY AND EACH OTHER'S COCKS UP THEIR ARSES?**

► masturbation fantasy/whatever has also starred in at least 15 hetero pornos. And he has a 20-year-old son. "I don't define myself as anything," he states, but adds more revealingly, "I could be sitting next to God knows what and get turned on." What Stryker may be referring to is his sexual "fluidity", a concept I was introduced to by webmaster Jake Cruise (see QXMEN, June 2009). Jake is an older man who has sex on camera with young hunks. One of them is muscleman Zeb Atlas, who on his own site also has sex with a woman. On shock jock Howard Stern's radio show, the Stern posse reckoned Atlas is mostly gay. But Cruise dislikes labels, as he explained to me: "I really hate saying someone is gay or straight or whatever unless they completely identify themselves that way. I've had sex with men who are straight because in their real life they're looking for women... I think sexually we can do all sorts of things. But emotionally? That's what makes you gay or straight."

This is all very well. But what about all these current sites in which guys say they're straight and "prove" it by talking about tits and pussy, but then take the money and each other's cocks up their arses? Are they all sexually fluid too? Er... no. And especially not the camp ones who look like they've arrived straight from the chorus of the local tranny bar. "Gay porn producers have

almost certainly described some actors as heterosexual to increase sales," says one source. What's happened is that, as political correctness has faded, gay men have become more honest about one of their favourite fantasies – having sex with a manly man who previously only fucked women. It's not likely to happen in real life. But it happens all over the Net. What surprises me is the number of critics who take seriously the claims of one of the most enjoyable (but silliest) sites, Bait Bus. Have you seen it? Their come-on is "What does it take for a straight guy to go gay?" The premise is always the same. A straight guy is picked off the street and lured into a bus by a female decoy. Once trapped, he's offered \$4,000 to have gay sex. He always does. But afterwards he's thrown out of the bus in his underpants. We're also expected to believe that "They never get paid!" Yeah, right. Quite aside from the fact that the victims are often recognisably models who appear regularly on other gay sites, the idea that the well-regulated US porn industry would allow hundreds of men to be filmed having sex without their permission

is, like some of the cocks on the bait bus, hard to swallow. Never mind. The site is just a bit of fun and it highlights the very essence of gay for pay. There are relatively few guys who are totally open-minded about sex. But if they're remunerated they'll have it with Anne Widdecombe. They just have to think about someone else while they're on the job. Kurt Wild, who's been bummed in gay porn for the past ten years, thinks about his girlfriend. He's also got four kids. On a TV chat show last year, Wild also answered another question everyone asks. If a guy is basically straight and wants to fuck in public, why doesn't he do straight porn? We come back to money again. Straight porn pays its female stars a fortune but its male performers hardly anything, about \$300 a scene. For the same amount of time working for a gay porn label, they can get \$5,000. And there are other perks. Aaron James, nominated for three GayVN awards last year despite the fact that he's openly gay for pay, says, "If I'd known I was going to get so many female fans, I would have been having sex with guys all my life."

THE BUSIEST CHAT SERVICE IN THE UK

LIVE 1-2-1

**QX** CHAT.com

CHECK OUT WHY WE HAVE GIVEN YOU THREE NUMBERS INTO ONE SERVICE

QX regrets that due to a change in telecommunications regulation, we are having to phase out chat services running on the 0870 tariff. However, we are able to continue offering excellent value for money services on some very low tariffs - 0844 (5ppm) and 0871 (6ppm - 10ppm). Many of you may not be familiar with the 0844 tariff below which is charged at 5p per minute from a BT landline at all times, however please note that other networks may vary. You may be more familiar with the 0871 prefix - we have therefore also introduced the cheapest 0871 tariff currently available which is charged at 6p per minute from a BT landline at all times but again other networks may vary - some networks will charge you more for using 0844 than 0871! If you are not familiar with what your current network operator will charge you for a specific number then please check with them and choose the best for you.

Finally, many networks charge the same for all 0871 numbers regardless of the fact that they may have a different BT landline rate, especially when using a mobile. They may charge the same for a 6ppm 0871 call as they do for a 10ppm 0871 call. Unfortunately, this is beyond our control.

However, to give you the best value for money, we are offering special features on our 0871 10ppm rate which permits FREE MMS picture sharing (via mobile) so you can see what the guy looks like AND FREE SMS alerts (via mobile) which let you know when you have a message in your voicemail box. This means you don't have to call in so often to check your messages, thus potentially saving you money! But remember, whichever number you dial, QX chat services are the busiest around. Have fun and stay safe!
